*Wrestling's Hottest Promotion Becomes the First Touring Show to Return to New York's Newest Arena*

**Belmont Park, NY (Feb. 14, 2021)** – All Elite Wrestling (AEW) gives wrestling fans in New York something to love on Valentine's Day, announcing that its wildly popular shows "AEW: Dynamite" and "AEW: Rampage" will return to UBS Arena on Wednesday, May 11, becoming the first touring show to return to the state of the art venue since opening its doors in November 2021.

Tickets will go on sale to the general public on Friday, April 18 at 10 a.m. ET via [AEWTix.com](https://www.aewtix.com) and [Ticketmaster.com](https://www.ticketmaster.com). Tickets start at \$30 plus fees.

AEW made its UBS Arena debut in December 2021 to a packed crowd, spotlighting a number of Long Island natives, including the homecoming of MJF, the in-ring debut of the still-undefeated HOOK, John Silver taking on Bryan Danielson, and Max Caster taking part in tag team action.

Last week, "AEW: Dynamite" was the #1 show on cable on Wednesday night against competition that included the Olympics, the NBA, South Park and more, with a show that featured the debuts of Keith Lee and "Switchblade" Jay White, and AEW World Champion "Hangman" Page retaining his title in an high-octane Texas Deathmatch against Lance Archer.

UBS Arena at Belmont Park, located just 7 miles from JFK Airport on the border of Queens and Nassau County, is made for music and built for hockey. New York's newest premier entertainment and sports venue and home of the New York Islanders has been developed by a partnership of Oak View Group, the New York Islanders, and Jeff Wilpon. Providing a significant boost to the regional economy, especially when economic activity has been greatly impacted by the COVID-19 pandemic, the world-class entertainment venue, with its timeless and classic design, bridges its iconic past with today's advanced technology and amenities.

The \$1.1 billion multi-purpose, state of the art arena opened in November 2021 with a grand opening celebration that included the Islanders first home games in the building and a sold out Harry Styles concert. The venue will host more than 150 major events annually while delivering an unmatched live entertainment experience including clear sightlines and premier acoustics. UBS Arena is designed to accommodate 19,000 people for concerts and 17,250 for NHL games. In an effort to build a greener future, UBS Arena intends on being carbon neutral for operations before 2024, which will make it the first arena to do so on the eastern United States seaboard.
