Belmont Park, NY - March 23, 2023 - Fresh off last week's exciting announcement, MAMAMOO announces the venues they will be playing at as part of their "MY CON" World Tour as they head to the U.S for the first time. After wrapping up their latest performances across Asia, the popular K-Pop group will embark to the U.S. for their inaugural arena tour that launches in New York on May 16, 2023 with UBS Arena at Belmont Park, located 30 minutes from Penn Station or Grand Central via LIRR. Presented by Mammoth, Inc. and Sugar Monkey Live, this is MAMAMOO's first ever global tour, as well as their American debut.

The girls knocked it out of the park with their mini album "MIC ON" in October 2022, and promptly followed up with a hugely successful, nine city tour across Japan, Hong Kong, Taiwan, Bangkok, Jakarta, Singapore, Kuala Lumpur, and Manila. MAMAMOO has established themselves as unrivaled icons of K-Pop, having sold out more than twenty concerts since their first one in 2016. MAMAMOO is set to rock

some of the biggest cities in the U.S. this summer with the same excitement and passion that has endeared them to their global fandom with each performance since their debut.

“Wherever it is, it becomes yours, mine and our stage.”

- MAMAMOO

MAMAMOO's first song, "Mr. Ambiguous," debuted in 2014 and cemented their position as a

mainstream K-pop knockout. Their launch was considered by some critics as one of the best K-pop debuts of 2014. They are recognized for their retro, jazz, R&B concepts and their strong vocal performances. Their song “HIP” is their first music video to hit 370 million views on YouTube and 210 million streams on Spotify, since their release in 2019. The quartet is known for being daring and breaking the rules in K-pop with their progressive fashion style, challenging the Korean music norms for women, and their girl boss attitude. MAMAMOO promotes being an independent woman with no restrictions. Hwa Sa is the most successful soloist, with her hit song “Maria” (2020) breaking records with more than 270 million views on YouTube. The recently released single, “ILLELLA,” encapsulates the unique talent and versatility of all four members.
