The artist made the tour announcement via social media with a funny video that pays homage to his "Don Juan" alter ego.

"I am so excited to return to arenas around the US this fall. I took a year off from touring to focus on perfecting what I feel is the best album of my career Don Juan. I can't wait to perform the new songs from the album for my fans for the very first time alongside my greatest hits in what I consider to be my most ambitious concert production yet. About MALUMA

Maluma is one of the leading voices in Latin music and a bona fide global youth idol. Born Juan Luis Londoño in Medellín, Colombia, he formulated his artistic moniker Maluma from the first two letters of the names of his mother, father and sister.

The 2018 Latin GRAMMY award winner for Best Contemporary Pop Vocal Album (for *F.A.M.E.*) is one of social media's most popular artists with over 25 million Facebook fans, 8 million Twitter followers, and a whopping 63 million Instagram followers, making him the leading Latin male artist on Instagram and the first and only one to surpass 50 million followers. His official YouTube/VEVO channel has more than 28.1 million subscribers, having earned him a YouTube Diamond Play Button Award.

With his Maluma World Tour he has achieved unparalleled success, having sold over one million tickets in 105 worldwide concerts in 2017 alone and becoming the top concert-selling Latin artist in the world. In 2018 and 2019, he broke records achieving full houses in all of his shows throughout the United States and Europe selling out Madison Square Garden (New York), the American Airlines Arena (Miami) and two The Forums (Los Angeles), among others. With his 11:11 World Tour he also sold out Israel's largest venue, Yarkon Park in Tel Aviv (60,000+ audience); made history at the 18th annual Mawazine Festival in Rabat, Morocco, setting an all-time attendance record with his headlining concert in front of 200,000 people; and performed for the first time ever in Riyadh, Saudi Arabia in front of 25,000. He continued to take over throughout 2021 and 2022 with sold-outs in the United States, Europe, Latin American and the Middle East.

Since joining Sony Music Latin in 2015, Maluma has released seven albums *Pretty Boy Dirty Boy* (2015), *F.A.M.E.* (2018), *11:11*(2019), *Papi Juancho* (2020), *7DJ* (2021), *The Love & Sex Tape* and *The Love & Sex Tape Deluxe* (2022). Maluma is the youngest artist to simultaneously hold both the #1 and #2 spots on Billboard's Latin Airplay chart and only the sixth act to ever achieve the feat he has now repeated three times. To date Maluma has had twenty-two #1 singles on Billboard's Latin Airplay chart.

Maluma's altruistic spirit is outstanding for the community work he leads with his foundation "El Arte de Los Sueños" based in Medellín, Colombia. Founded in 2016, the Foundation's mission is to transform at-risk youth through art and music education. In 2021, Maluma acted in his first Disney animation movie, "Encanto," 2022 Oscar winner for Best Animation Feature. Earlier this year, Maluma debuted in Hollywood with his starring role as "Bastian" in the movie "Marry Me" alongside Jennifer Lopez and Owen Wilson.
