Message from Los Temerarios  
Adolfo Ángel Alba and Gustavo Ángel Alba  
Miami Florida  
August 28, 2023

With the love that has united us since we were children, same feeling for work we have had the privilege to do for more than 46 years, we want to share the news that we have made the difficult decision to separate musically, closing one of the most important and rewarding cycles of our lives.

As a thank you to our fans, we will complete our last tour together with the same love and respect with which we have always done it. The shows will kick off in September and run to November 2023, followed by performances in Mexico, the United States, and Central and South America in 2024.

We are eternally grateful to our fans who have so generously welcomed our music into their hearts and who have been the engine and inspiration of our career. Also to the media, who have supported us with respect and integrity over the years. To the promoters and collaborators who are part of this journey, whose mission is to transmit our music made with honor and love, magic, and mystery that unites us and gives meaning to life.

Everything we will want to share from this moment on will be through the music and the stages where we will perform.

With deep gratitude,

Adolfo Ángel Alba and Gustavo Ángel Alba  
Los Temerarios

**About UBS Arena**

UBS Arena at Belmont Park is made for music and built for hockey. New York's newest premier entertainment and sports venue and home of the New York Islanders is developed in partnership with Oak View Group, the New York Islanders, and Jeff Wilpon. The state of the art arena opened in November 2021 and has welcomed numerous top artists including Harry Styles, Sebastian Maniscalco, Billie Eilish, Dua Lipa, TWICE, Eagles, John Mayer, Kendrick Lamar and Post Malone. The venue delivers an unmatched live entertainment experience for guests including clear sightlines and premier acoustics.

UBS Arena is at the forefront of sustainability, being awarded LEED Green Building Certification in January 2023. The venue also achieved carbon neutrality for operations in Fall 2022 which made it the first arena to do so on the eastern United States seaboard. For more information on the venue's sustainability efforts, please visit [UBSArena.com/sustainability](http://UBSArena.com/sustainability).

Located on the historic grounds of Belmont Park, UBS Arena is located just 30 minutes by LIRR from Grand Central or Penn Station and is easily accessible from across the region via mass transit or car.
