“It’s easy to see why audience members would choose to make TSO part of their holiday traditions year after year. Even more than the ‘wow’ factor of the videos, the light shows, and the bursts of flame frequent enough to warm the arena, the show neatly balances new elements with old favorites, and offers a quirky charm as warm as its flames.” —*The Columbus Dispatch*

“If you wanna take the family (no matter what age) to a show that is worth every penny and more, put it on your calendar now for 2023 to attend the Trans-Siberian Orchestra holiday rock/metal/orchestral super-show!” - *KISW-FM*

Los Angeles, CA (August 28, 2023) – Prepare for a musical journey like no other this winter as [Trans-Siberian Orchestra](#) (TSO) is set to spread rock vibes throughout its spectacular annual holiday tour. Today, the multi-platinum rock group, which has consistently hit the upper-reaches of the touring [charts](#) for the past 15 years, unveiled the exciting details of their highly anticipated 2023 winter tour, titled "**The Ghosts of Christmas Eve – the Best of TSO & More.**" This year's tour promises a new and larger presentation of the beloved holiday tradition, "The Ghosts of Christmas Eve," which has captured the hearts of multiple generations. Over the course of the tour, TSO will visit 62 cities, including UBS Arena at Belmont Park, located 30 minutes from Penn Station or Grand Central via LIRR, on December 20. This date marks their only New York Metro area show for the season.

Presales for TSO fan club members will be held on Thursday, Sept. 7 at 10 a.m. local time and Friday, Sept. 8 at 10 a.m. local time. The public on-sale is set to begin on Friday, Sept. 15 at 10 a.m. local time. Beginning with the public on sale, special \$39* tickets will be available for one week or while supplies last. For more details on tour dates and ticket sales, visit www.trans-siberian.com.

A product of the imagination of TSO’s late founder [Paul O’Neill](#), and based on TSO’s multi-platinum CD and TV special, “**The Ghosts of Christmas Eve**,” follows the journey of a runaway who breaks into an abandoned vaudeville theater on December 24th. While seeking shelter from the cold, the teen is discovered by the theater’s caretaker who uses the ghosts and spirits from the building’s past to turn her life around. Following the performance of the rock opera, 2023’s tour also boasts a rocking, blazing, and laser-lit second set containing more of TSO’s greatest hits, fan-favorites, and surprises. In addition to experiencing the story at TSO’s live concerts this year, fans at home can watch a digitally restored “The Ghosts of Christmas Eve” on their local PBS station.

“For 27 years you have helped make Paul O’Neill’s TSO stories a part of *your* holiday tradition. And, for 27 years, *our* tradition has been to make every year’s tour better than the last for you. 2023 is no exception as this year’s tour will be the best ever. I can’t wait to see our ‘repeat offenders’ out at the shows and look forward to seeing the new faces as well,” said TSO’s music director and lead guitarist **Al Pitrelli**.

TSO, which has sold more than 12 million albums and DVDs, will release music in several formats this fall, including a 25th anniversary edition of ***The Christmas Attic*** on vinyl, in deluxe and standard packaging, on Sept. 29; a clear vinyl pressing of ***Christmas Eve and Other Stories*** on Nov. 3; plus, a digital release of The Ghosts of Christmas Eve in Dolby Atmos Spatial Audio and hi-fidelity stereo mixes, including both the songs and narration, titled ***The Ghosts Of Christmas Eve – The Complete Narrated Version*** on Nov. 10.

Since its touring debut, TSO has played more than 2,000 Winter Tour shows to more than 18 million fans. In just the past 10 years (encompassing nine tours), TSO has performed for more than 8 million fans. Keeping with O’Neill’s vision, TSO remains one of rock’s most charitable bands. Once again, TSO will give at least \$1 from every ticket sold to charity. To date, more than \$18 million has been donated by the group.
