### About Rod Wave

Blessed with a special singing voice and an uncanny gift for songwriting, Florida's Rod Wave is

taking his own path to the top of the game. The St. Petersburg native, who has amassed over 21 billion streams to date, joined Taylor Swift as the only 2 artists to top the Billboard albums chart between 2021-2023. Rod's last album, *Nostalgia*, topped the chart 2 weeks in a row and cemented his status as one of the pioneers of "pain music." He first erupted onto the scene with the viral 4x-platinum "Heart On Ice," which culminated a prolific run of 3 full-length projects in a 12 month span. His debut album, *Pray 4 Love*, was certified platinum within a year of release, propelled by the TikTok crossover moment "Rags2Riches," and the follow up, *SoulFly*, became Rod's first-ever #1 Billboard charting album. Known for his fiercely loyal fanbase, Rod's extensive touring history includes 2 consecutive nationwide arena tours, grossing tens of millions of dollars on the road.

### **About UBS Arena**

UBS Arena is made for music and built for hockey. New York's newest premier entertainment and sports venue and proud home of the New York Islanders is developed in partnership with Oak View Group, the New York Islanders, and Jeff Wilpon. The state of the art arena has welcomed top artists from around the globe since opening in November 2021 including Billy Joel, Bruce Springsteen, Chris Stapleton, Dua Lipa, Drake, Harry Styles, Marc Anthony and Suga. The venue delivers an unmatched live entertainment experience for guests including clear sightlines and premier acoustics.

UBS Arena is at the forefront of sustainability, recently achieving Zero Waste TRUE Silver certification in May 2024 in addition to its LEED Green Building Certification and carbon neutrality for operations.

Located on the historic grounds of Belmont Park, UBS Arena is located just 30 minutes by LIRR from Grand Central or Penn Station and is easily accessible from across the region via mass transit or car.
